### Volunteers Needed

Please come and help bag rice. We may be short of volunteers because of the labor day weekend. Please Come 624-6715

Some people don't realize that just one hour can make a difference. It takes about 10 minutes to re-bag 25 pounds of rice. In one hour you can help feed 72 families! This is why each and every volunteer is appreciated. Without our volunteer helpers our progress would be greatly hindered. The buzz of enjoyment that fills the house is contagious and energizing. Every single person can work at his/her own pace and have a feeling of real accomplishment. Even young children help and learn so much just

by seeing so many people coming together for the good of our community. So, please RSVP today and make your work count!

### RICE BAGGING
