VOLUNTEER FEATURE

This month we are featuring Karina Sipple. She first came to Rice Plus in 2009. She came with some friends from Santa Cruz and has been coming for ever since. Her parents taught her that it was important to give to the community in any way that she could. "It is important for me to teach my children and my grandson, the same values." Karina is one of our most devoted, hard-working, and helpful volunteers. "I love helping with the Rice Project because everything goes immediately and directly to people who need it most." Karina has a knack for showing up at just the right time, knowing where the help is needed at any given
