JUST WHERE DOES ALL THIS FOOD GO?

I have often heard people ask, "Just how exactly is my donation used and why should I donate to Rice Plus? There are many families in our very own community who have basic needs, such as food, water, and clothing. All the money and food go directly to families in need. There is no overhead taken out of the fund. Every penny is spent on food, clothes, and essentials for families. Every penny is used to either fund education, purchase clothes and food not already donated. Many other places that receive donations take monies out for overhead such as paper, phone, gas, and many other bills.

Rice Plus does not do this. All the

money and donations go directly to families
