Some Interesting Statistics for Monterey County

There are more than 50,000 farmworkers in Monterey County, according to the Monterey County Board of Supervisors. They also say that "Farmworkers often fall into the category of "precariously housed" and are often dangerously close to becoming homeless." In addition, 1 out of 5 girls under the age of 18 are living in poverty. Over 2000 men and women were reported homeless! Know that your donations are making a difference in so many lives.

30% of women in Monterey County do not have a high-

Rice Plus Education Fund

We have formed an educational fund primarily to help needy female students. These funds will be used for their educational needs. Tax-deductible donations accepted!

school diploma. Although men tend to make more money than women, 45% of women who work full time earn less than \$15000 a year. All our donations go to help people right here in our own county. Every grain of rice, every bean, every dollar counts to someone!
