Dear Friends:

I wanted to thank you all for your continued and consistent support of our families at Natividad. Your gifts of clothing and blankets make the difference for our families, especially considering this has been one of the most financially stressful years for everyone. The clothes and blankets may be the only things they have for their babies!

We have recently experienced a tremendous increase in overall birth numbers. This has been exceptionally wonderful and yet concerning, too. We expect record numbers for the last three months. If this is a precursor to the coming year, we will definitely be looking at an amazing year.

Thank you all again for your thoughts, love, kindness and gifts. This winter is a little warmer and our babies are lot more comfortable with you by their sides!

Sincerely,

Lisa M. Tucker, RN
